

# SIDDHI KATKAR

Email: siddhi.katkar@example.com | Phone: 1234567890 | Location: Mumbai | Portfolio: [Your Link]

## Overview

Fresher Computer Engineering student with a strong foundation in Python and Web Development. Experienced in building simple AI applications and frontend projects. Passionate about creating real-world solutions and continuously learning new technologies.

## Skills

Languages & Libraries: Python, HTML, CSS, SQL

Tools & Technologies: Flask, Git, GitHub, Power BI, VS Code

Areas of Interest: Web Development, Python Programming, Data Analytics

## Projects

AI-Based Face Recognition Attendance System

Tech Stack: Python, OpenCV, NumPy, Tkinter

- Built a desktop application that marks attendance using facial recognition.
- Used Haar cascades for face detection and stored attendance data in CSV files.

Smart Chatbot using NLP

Tech Stack: Python, NLTK, Tkinter

- Created a chatbot capable of answering predefined queries.
- Applied NLP techniques for text preprocessing and response generation.

Healthcare Website

Tech Stack: HTML, CSS

- Developed a static healthcare website with responsive design.
- Worked on form handling, structure, and content layout.

## Work Experience

Python Programming Intern (Aug 2023 - Feb 2024)

- Learned Python fundamentals and created small automation scripts.
- Worked on data handling and logic implementation.

Web Development Intern - Healthcare Project (Mar 2024 - Apr 2024)

- Built a healthcare website using HTML/CSS during internship.

# SIDDHI KATKAR

Email: siddhi.katkar@example.com | Phone: 1234567890 | Location: Mumbai | Portfolio: [Your Link]

- Practiced frontend layout design and responsiveness.

## Achievements & Certifications

- Completed Code With Harry's Python Mastery Series
- Participated in college hackathons and project exhibitions

## Education

Bachelor of Engineering in Computer Engineering  
Theem College of Engineering, Mumbai University  
Expected Graduation: May 2025

Diploma in Computer Engineering  
Vidyavardhini's Bhausaheb Vartak Polytechnic  
Completed: 2022
